New Business

The Local Cultural Council has been given the opportunity to display art on the wall adjacent to the demolished building at 188 Main St. We are meeting to vote on displaying the Green River Festival posters of Jess Wissman at this mural space (images previously sent to councilors via email, and shared here remotely). Funding for plexiglass to protect the art will be provided by Community & Economic Development Dept. There is space for approximately three (3) of the posters to be mounted. The display will be temporary, and the murals will be on loan.

Discussion

KS-R: where are they going?

LM: 188 Main St. where building was recently demolished; there is large wall of plywood there currently.

JW: The plexiglass will protect from vandalism, but also from weather?

LM: Yes, both

AC-K: How did we get access to the spot?

LM: City property.

KS-R: These are originals?

LM: Yes. They were painted during 2019 festival. They are large plywood pieces.

KS-R: All created in 2019?

LM: Yes

JW: 4 or 3 to be displayed?

LM: Yes three or four, depending on space. Don't have exact measurements yet.

Ms. Strub-Richards motioned to approve to approve the display of Jess Wissman posters on wall at 188 Main St. Ms. Whitney seconded. Motion was approved 4-0.

Ms. McInerney said she did not know the timeline for the installation, but would find out and let the committee know. Ms. McInerney said Ms. Wissman will choose which of the posters will be displayed, as is normal and customary for the artist to decide.

Ms. Whitney motioned to adjourn, Ms. Strub-Richards seconded. Vote to adjourn 4-0. Meeting was adjourned at 3:48 p.m.
